Chris Grevelis (standing, left), Reverse Mortgage Specialist at The Savings Bank, recently hosted a Reverse Mortgage seminar at the Bear Hill Golf Club for area residents who are interested in learning about the government insured program that lets homeowners age 62 and older use the equity in their home while having a source of tax-free income with no monthly payments. Dozens of area residents attended the morning seminar, including (seated, left to right) Lynnfield residents Nancy Milburn, Jim Milburn, and Evelyn Malveira. The seminar also featured Frank Kautz II, (standing, right), a Reverse Mortgage Counselor with Community Service Network, who provided additional information about the benefits of the program.
